

High Holy Days Registration 2026 / 5787

Early registration deadline – Tuesday, August 11

Security procedures at HPCT-CAE allow only registered people into the building during the High Holy Days. HPCT-CAE will have security guards at the entrance of the building, and they will be checking your names against our registration list, so register early to be sure that you will be allowed into the building.

We are an exclusively volunteer community, and our services exist only because everyone pitches in. In the weeks leading up to the High Holy Days, we will be contacting you to see how you can contribute to making our services the warm and inclusive services people expect from us. Most of the jobs do not require that you know Hebrew or how to lead a service, so there is something for everyone. Of course, if you have a particular skill or interest that you'd like to offer, please let us know! Email us at HHD.minyan@gmail.com.

1. Your information

We will be sending you information about the High Holy Days through the email address you give here, so please give an address that you check regularly. Include the best phone number to reach you in case there's a problem with your registration.
